

INSTRUCTIONS

SEC INTERACTIVE DATA VIEWER

- Download the files by clicking on the link for “XBRL Prospectus”
- Go to the viewer on the SEC website
 - (link is <https://datapreview.sec.gov/previewer/>)
- In the “Submit Your XBRL Data” pane on the left side of your screen, Enter CIK code 0000831114
- Choose the file that you downloaded, enter the security code provided by the SEC and hit submit. A confirmation code will then be provided.
- Wait approximately 15 minutes and move to the “Preview XBRL Documents” pane on the right side of your screen.
- Reenter CIK code, enter confirmation code previously provided, type in the security code provided by the SEC and click “Submit”
- A readable XBRL file will populate.
